

Authorization

Leica Geosystems AG, Heerbrugg (Switzerland) confirms that the Service Center of

GEOTECH Bratislava; Slovak Republic

has implemented a Service management system and has successfully demonstrated during an Audit by **Leica Geosystems AG, Heerbrugg (Switzerland)** that this system meets the relevant criteria for a Leica Geosystems Service Center.

Leica Geosystems AG, Heerbrugg qualifies above area to be an

Authorized Service Center of Leica Geosystems AG

Based on this Authorization the Service Center is authorized to maintain and repair products and to issue Service Certificates in accordance with our guidelines (Reference: Service News 29/2001; 24.9.2001 /3679-AER) as defined in Annex 7 of the Service Partner Agreement.

This authorization remains valid until November 6th, 2010
